Plaintiff Wright Motion To Object To The
Honorable Charles S. Coody Order In
Denying Plaintiff Motion For Admission
Upon Defendant Sharon Holland

I Richard Wayne Wright, Sr.,
Petitioner, Pro-Se., Files this (said)
motion in objection to [the] order
passed down on March 15th 2006, by
the Honorable Charles S. Coody. Plain-
tiff Wright issued 'this' Motion For
Admission upon defendant Sharon
Holland to further substantiate [his] Claims
of threats. This is vital to plaintiff
Wright's claims and will aid in revealing
to this Honorable Court defendant
Sharon Holland willingness to make
untrue statements to this Honorable

Court. Plaintiff Wright believes after being informed by Fellow inmate's [he] should not wait until an evidentiary hearing is "ordered" by this Honorable Court before [he] seeks admission or denial of certain relevant statements made to him. He further believes these statements would and should be presented as evidentiary material on behalf of plaintiff Wright claims [if] and [when] this Honorable Court should decide to order and/or set a date for an evidentiary hearing.

Defendant S. Holland would have this Honorable Court to believe "she" did not threaten plaintiff in the Kitchen office on March 10, 2005. Defendant S. Holland would also have this Honorable Court to believe [she] did not call to the Health Care and request that the Nurse 'Whom' [she] communicated with on the telephone leave a note to make the changes on [my] shaving profile to fit [her] specification. From defendant S. Holland such statement made to this Court shows plaintiff [that] defendant S. Holland willingness to deter from the truth in both instances. For

Such reason has to plaintiff Wright submitting to this Honorable Court this (said) motion (Court Doc No 141) and Filing this objection that hopes this Honorable Court will withdraw its order passed down on the 15th day of March 2006, and grant said motion. IF this motion is not in its proper Form plaintiff ask that this motion be Contrued into its proper Form.

Done this the 2nd day of April 2006.

Respectfully submitted,

Richard W. Wright, Sr.
